*Now Fits More Hard Hat Styles*

## AOSafety® Introduces the
## AOTuffMaster® H24M™ Universal Aluminum Headgear.

**Features and Benefits Not Offered On Other Headgear.**

This versatile headgear assembly is designed to fit AOSafety hard hats, as well as many competitors' models. The assembly is made of heat-resistant materials and is excellent for use in foundries, steel mills and other high-heat applications. The AOTuffMaster H24M can be used with cap-mounted ear muffs and provides a universal platform for AOTuffMaster face shields.

# AO TUFFMASTER®
# H24M™
## UNIVERSAL HEADGEAR

Universal headgear fits AOSafety and the G2000 Peltor® hardhats, as well as most hardhats by the following manufacturers: North, Protector Safety, Uvex, Jackson, Bullard, ERB, MSA and Fibre Metal.

Aluminum and durable molded materials designed for high-heat applications.

Designed to fit all AOTuffMaster faceshield windows (.040" & .080" thick).

Easy-Change™ system allows for window replacement in seconds.

Exclusive attachment feature does not interfere with capmounted earmuffs.

Two-position system locks shield up out of the field of vision when not in use and pulls down easily when needed.

Meets ANSI Z87.1-2003 Standard.
